**Okanagan
Foster Parents
Association**

The Okanagan Foster Parents Association contracts with the Ministry of Children and Family Development to provide support services to Family Care Homes in the Okanagan. OFPA is a consumer-driven, community based and cross-cultural organization.

**The philosophy of the Okanagan
Foster Parents
Association is:**

Foster Families are a key component of the Family Care Home system in British Columbia. Caregivers need a variety of support services and educational opportunities in order to meet the physical, emotional, cultural, and spiritual needs of children and youth in care. As an organization of caregivers, the Okanagan Foster Parent Association recognizes the need to be flexible in meeting the ever-changing needs of caregivers, the children/youth they care for, and their families.

The OFPA employs Foster Parent Coordinators for each of North Okanagan, South Okanagan and Central Okanagan.
