

ABORIGINAL RECIPE BOOK

The Kelowna Foster Parent Association is honored to present "All My Relations", a book of recipes of Canada's Aboriginal peoples, First Nation, Métis and Inuit.

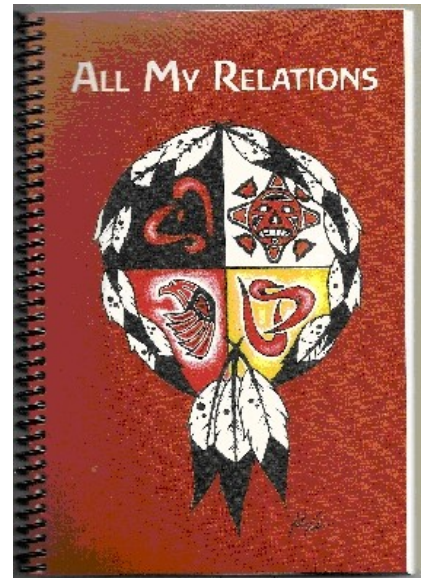

After several years of dedicated research on the part of one of our Foster Parents this book went from a dream to a reality. Over 300 recipes were gathered from all across Canada. Both individuals and organizations generously shared their heritage and knowledge of traditional cooking.

This cookbook represents Foster Parent's desire to provide the children they care for a connection to their cultural roots. Many of these connections become lost when aboriginal children come into care.

The proceeds from the sale of "All My Relations" will go to the Kelowna Foster Parent Association to aid in their mandate to provide support and education to Foster Parents.

Sincerely,

Pam Paterson, Marketing Representative, Kelowna Foster Parent Association
